MR. MOORE begs to recommend his
GOGO SHAMPOO WASH

to the public as unrivalled by any prepara-
tion ever produced for promoting the growth
of the hair. The basis of this compound is
made of soap root; the natives of the Philip-
pine Islands never use anything else for
washing their hair; they are never found bald,
and it is quite common to see the females with
hair from 5 to 6 feet long. By constantly using
this Shampoo Wash as directed, you will
NEVER BE BALD.

The proprietor offers the Wash to the public
entirely confident that by its restorative pro-
perties it will, without fail, arrest decaying
hair. It completely eradicates scurf, dandruff,
and cures all diseases of the scalp. It does not
contain any poisonous drugs. By its cooling
properties it allays the itching and fever of the
scalp, which is the great cause of people losing
their hair.

Mr. MOORE has succeeded in being able to
put this wash up in bottles without allowing it to
ferment, and he will guarantee it to keep any
length of time in any climate.
